St. James Anglican Church
6025 Old Church Road
Caledon East, ON
L7C 1H8

Dear Father Chris Dow and the Leadership at St. James Anglican Church,

On behalf of Water Ambassadors Canada, thank you for your recent donation of $500.00 for this very important ministry of providing clean water to those without in the developing world. While there are many important needs all over the world, we believe that having access to clean water is a basic human right and it is our hope and goal to reach as many people as we can with safe drinking water.

Our latest team was recently in Ecuador installing chlorination systems in a couple of remote communities outside of Quito. Each system provided safe drinking water to hundreds of people. Your donation allows us to keep building and repairing wells and installing chlorination and filtration systems.

Once again, thank you for your generous support of WAC and the ministry we've been called to do. We will send you an official acknowledgement for your donation early next year. Our very best to you!

Serving together,

Kinson Leung
Executive Director
Water Ambassadors Canada

Changing lives with clean water
